	Sem-2		41670		7487		2140		812	56401

**COMMENTAIRE :** Les cladosporium et ascospores sont en tête du classement des spores de moisissures de la semaine.

**Attention aux spores d'alternaria qui sont très allergisantes et bien présents dans l'air.**

**Les journées plus humides et orageuses seront à surveiller de près car elles favoriseront le développement des spores de moisissures.**
